Lordstown-LEC (Warren Sewer) Contract 6

***Wastewater services purchased by CEF-L shall be priced as the sum of: (i) the rate charged by Warren to the Village as set forth in the agreement in effect between the Village and Warren (“the Warren Wastewater Rate”); plus (ii) \$0.40/1,000 gallons (“Village Surcharge”). The Warren Wastewater Rate shall be subject to change over time as described in the agreement in effect between the Village and Warren. The Village Surcharge shall be constant through the first five years of this agreement. See agreement for surcharge for years 6-20.**

Copies of Rules and Regulations, design standards - \$25.00 each

\$1,000 PENALTY OR IMPRISONMENT FOR VIOLATING ANY PROVISION NOT OTHERWISE COVERED IN RESOLUTION 2018-6(OR CURRENT AMENDED RESOLUTION).

Trumbull County Health Department Plumbing Inspection and Electrical Inspection for the grinder station (*-If applicable*) must be completed and received before permit application is submitted.
